Richard, from the Judge's September 17th Order:

"If defendant believes that plaintiff is in violation of the September 6 Order - for example, by failing to produce all non-privileged documents responsive to Requests No. 1-5 or by withholding documents on the basis of privilege without serving a privilege log - it may seek redress pursuant to Fed. R. Civ. P. 37(b), including sanctions pursuant to Rule 37(b)(2)(A). Any such motion must be made in compliance with Local Civil Rule 37.2 and this Court's Individual Practices."

It took one response and three amended responses for you to state "There are no privileged documents", even though the Court made very clear what was required. Please let me know your response to the Letter Motion, which sets forth the progression of these issues.

Laurence,

I don't follow. There were no privileged documents, I am not sure why this is necessary.
